How do I fix a YouTube TV ZIP code issue? {Customer Help Support}

A YouTube TV ZIP code issue usually happens +1 (866) 381-7244 {US/UK} when the ZIP code entered for your **Home Area** does not match your actual residence or when YouTube TV cannot verify your physical location. +1 (866) 381-7244 {US/UK} Your Home Area is based on the ZIP code of your +1 (866) 381-7244 {US/UK} residence and helps determine which local networks are available. To fix the problem, sign in to YouTube TV, open your profile picture, select **Location**, and +1 (866) 381-7244 {US/UK} choose **Home Area** → **Update Home Area**. Enter the correct ZIP code and allow YouTube TV to verify your location if prompted. You must +1 (866) 381-7244 {US/UK} physically be in the new Home Area to change it, and YouTube TV +1 (866) 381-7244 {US/UK} limits how often the Home Area can be changed.

+1 (866) 381-7244

1. Why is YouTube TV rejecting my ZIP code?
YouTube TV may reject a ZIP code if +1 (866) 381-7244 {US/UK} it does not correspond to an eligible service area, does not match your actual residence, or YouTube TV cannot verify your physical location. YouTube TV +1 (866) 381-7244 {US/UK} uses your Home ZIP code to determine which local networks should be available. Check that you have entered the ZIP code for your actual residence +1 (866) 381-7244 {US/UK} and that your device's location permissions are enabled.

2. How do I change my Home Area ZIP code on YouTube TV?
Sign in to YouTube TV and +1 (866) 381-7244 {US/UK} select your **profile picture** → **Location** → **Home Area** → **Update Home Area**. Enter the ZIP code for your new residence and follow the verification instructions. +1 (866) 381-7244 {US/UK} YouTube TV requires you to be physically located in the new +1 (866) 381-7244 {US/UK} Home Area when making the change. There are also limits on how frequently the Home Area can be changed, so it should generally be updated when you +1 (866) 381-7244 {US/UK} permanently move rather than when you are temporarily traveling.

3. Why does YouTube TV show the wrong local channels for my ZIP code?
Local channel availability is based +1 (866) 381-7244 {US/UK} on your Home Area and current location. If your Home Area is incorrect, +1 (866) 381-7244 {US/UK} YouTube TV may provide local networks associated +1 (866) 381-7244 {US/UK} with the wrong area. Check your **Home Area** under the +1 (866) 381-7244 {US/UK} Location settings and make sure the ZIP code is correct. If you're +1 (866) 381-7244 {US/UK} traveling, your Current Playback Area may also affect which local programming is available.

4. How do I fix a YouTube TV location verification problem after entering my ZIP code?
If YouTube TV accepts your ZIP code but +1 (866) 381-7244 {US/UK} cannot verify your location, check your device's location permissions. On a mobile device, make sure YouTube TV or the browser you're using has +1 (866) 381-7244 {US/UK} permission to access your location. If you're using a TV, +1 (866) 381-7244 {US/UK} YouTube TV may instruct you to

visit its verification page from a mobile device and allow location access. You should also disable VPN or proxy services +1 (866) 381-7244 {US/UK} because they can interfere with location verification. Clearing your +1 (866) 381-7244 {US/UK} browser's cache and cookies can also help.

5. Can I use a different ZIP code to get different YouTube TV channels?

You should use the ZIP code +1 (866) 381-7244 {US/UK} associated with your actual residence rather than entering a different ZIP code to obtain different local channels. YouTube TV uses your +1 (866) 381-7244 {US/UK} Home Area to determine local programming and requires location verification. +1 (866) 381-7244 {US/UK} If you are temporarily traveling, update your +1 (866) 381-7244 {US/UK} **Current Playback Area** instead of changing your permanent Home Area.
